Director's Corner

As many of you know, I have a passion for travel. I have been to 46 countries so far and have lived in 4: England, France, Germany and the USA. But I have never visited Ireland, our theme for March. The closest I've been to Ireland was camping in the grounds of an Irish themed pub in Accra, Ghana. They had Guinness on tap, plus fiddles and rocking chairs hanging from the ceiling, so it doesn't come more authentic than that!

I'm sure that many of you have some sort of Irish connection. You might have a grandparent who sailed from Ireland to Ellis Island or you may still have relatives in Dublin, Cork or Tipperary. There are Irish links everywhere.

Many of our Presidents have Irish ancestry from John F. Kennedy to Bill Clinton to Barack Obama, whose great great great grandfather came from the Emerald Isle! There's even a song called "There's No One as Irish as Barack O'Bama" But whether you are Irish or not, let's discover Ireland together.

Gables resident, Polly Bee, enjoying a day out at Ventura Beach. The overcast weather doesn't stop this gal from having a good time!

The Sportsman Restaurant and Lounge in Ventura is always a favorite spot to choose for a lunch trip. We sure do enjoy our adventures and each other's company! (L-R Ginger, Bonnie, Don, Derald and Polly)
