# April 2017

## Meet Gloria Wood

Gloria is dedicated to a healthy lifestyle. She has enjoyed going to Friday Yoga and most days walks almost 3 miles in the comfort and safety of our halls.

Gloria grew up in the small town of Medina, TX. In high school she played Badminton, Clarinet and saxophone in the band and was a majorette. She met her husband, Charles who was the band leader and they had 3 sons. After finishing top in her class in Nursing School she earned her RN license and then attended the University of Houston to study Psychology. As a nurse she served in the ICU, Hospice, Psych treatment centers and even started a Home Health program. While working in the hospital Gloria completely lost her vision. She did not let this slow her down. She mastered Braille, began to teach others and would later instruct Braille teachers. After 15 years and nothing short of a miracle Gloria's sight returned and she was able to go back to her passion of Nursing. Gloria stays busy playing piano, painting, reading, crochet, journaling and spending time with Tigger, her very fluffy red cat.

(Top Left) Residents gave Galaxy Cafe 2 thumbs up. (Top Right) We Visited the fascinating Daughters of the Texas Republic Museum. (Bottom) Visiting the LBJ Library for Presidents' Day.
