Happy 60th to Marie & Ralph!

# August 2017

Betsy enjoys an active outdoor lifestyle. She loves water sports, fishing, boating, mountain biking and tennis. Betsy, forever a music teacher, plans to start a chorus singing group at Parsons House. We are looking forward to joining in.

Betsy Evans is from New Jersey, but she is a world traveler at heart. She studied Music Education at Wheaton Conservatory College. There she met her husband, Don, who became an officer in the Army. Betsy and Don were stationed in Muenster, Germany, during the Cold War. To teach high school in Germany, she learned German in just 4 months of intensive training. Once they returned to the US with a new baby, Betsy earned 2 master's degrees from Yale and Michigan University in German and ESL. One of her proudest moments was winning a scholarship to teach ESL and music to 11 tribes in Johannesburg, South Africa. Betsy always took advantage of her summers off. She taught Bible school on a Navajo reservation and went on Geology field research trips in the Black Hills of South Dakota. When she retired, she bought a home with tropical fruit trees in Florida, as well as a travel trailer she took on many adventures. 8 years ago, she moved to Austin to be closer to her family.
