Celebrating Seniors

There are 46 million people in the U.S. who are age 65 and older, and that number is expected to more than double to 98 million by 2060. National Senior Citizens Day on Aug. 21 celebrates the older generation and their contributions to their families, communities and country.

Jokes With Joe

Fans of corny humor, get ready to bust out the groaners on Aug. 16, Joe Miller's Joke Day. An 18th-century English comedic actor, Joe Miller had his name tied to a joke book called "Joe Miller's Jests," which has been revised and expanded hundreds of times since its 1739 publication. Today, the term Joe Miller is a synonym for an old, familiar joke.

Wake Up and Drink Up

After a night of sleep, rehydrate your body by drinking a glass of water when you first wake up. The replenishment can provide a natural pick-me-up as you start the day.
