This month's theme is "1940s - 1970s." There is so much to cover and so many events that it's hard to know where to start. So I decided to set you all a challenge. If you took these 4 decades individually, what memories do they evoke? Here are mine:

1940s - World War II, Winston Churchill, FDR, courage, honor and sacrifice.

1950s - Rock 'n' Roll, Elvis Presley, the Cold War.

1960s - Civil Rights Movement, The Beatles, assassination of President Kennedy.

1970s - Watergate Scandal, Vietnam War, birth of David Scarlett!

It's not just the world events that matter, but our personal memories, too. In which decade did you marry? When were your children born? Where were you living in each of these decades? I'm sure our fun-filled calendar will unlock some happy memories.

David Scarlett, Executive Director
