NEWEST STORAGE *EXPRESS* LOCATION OPENS IN SELLERSBURG

STORAGE EXPRESS celebrates the grand opening of its newest self-storage facility in Sellersburg, IN on Thursday, June 25 from Noon until 2:00 pm. The public is invited to join the Storage Express staff at the new property located in Sellersburg off Hwy 311, behind El Nopal and River Valley Bank.

Members of One Southern Indiana and company representatives will participate in a ribbon cutting ceremony at Noon. THE MAX radio 102.3 will broadcast live from the event, where a variety of enjoyable activities will include a visit by the ***Whiskers Wagon*** operated by the Floyd County Humane Society. The Whiskers Wagon brings its animal passengers to events throughout the Clark & Floyd County area. It provides an opportunity for pet lovers to become acquainted with dogs and cats available for adoption. Earlier this year, Jefferson Shreve, the owner/president of Storage Express, launched the company's ***Adopt a Friend*** campaign. This company sponsored program provides support to animal rescue shelters that serve the communities in which Storage Express facilities are located. Shreve will present a \$500 donation to the Floyd County Humane Society during the grand opening event.

Festivities to follow on-site include refreshments provided by Sellersburg's El Nopal Mexican Restaurant and prize drawings, including a grand prize weekend get-away provided by the Eagle Point Golf & Tennis Resort on Indiana's Lake Monroe.

Storage Express owns and operates 75 self-storage properties across Indiana, Illinois, Kentucky, Tennessee and Ohio. The Bloomington-headquartered company has also opened other self storage properties this year in Bedford, Petersburg and Columbus.

Residents of Sellersburg and its neighboring communities are invited to share in the fun by stopping by the new Storage Express location on Thursday, June 25th between Noon and 2:00 pm.
