### **Aqua Marine Partners Opens Hidden Harbour**

Aquamarina Hidden Harbour in Pompano Beach, Florida is the first newly constructed conventional dry storage marina in the region in more than a decade and the first in Broward County since a three-year moratorium on new commercial marina construction was lifted in 2007.

Aqua Marine Partners designed, constructed, and will manage the \$8 million facility. During a grand opening on June 4, 30 people signed storage leases on the spot according to Marketing Director Katie Baron Nullman, and one lucky owner won a raffle for complimentary storage for one year. Aquamarina Hidden Harbour offers 384 dry-stack slips designed to hold boats up to 43 feet LOA inside its Category 4 Hurricane-rated facility.
