

# Morningside House

*proudly introduces...*

At Morningside, we're committed to achieving results in our local communities by supporting good causes and bridging generations together. This year, we're expanding our community service efforts by giving back to the community through our **2009 C.A.R.E. Project** by donating resources or volunteering time. We feel the greatest investment we can make as a company is investing in our community.

If you know of a good cause or community charity you would like Morningside to support, please complete the attached form for consideration or visit our website at [www.morningsidehouse.com](http://www.morningsidehouse.com).
