**A-1 Self Storage Brings Education to Children in Tijuana**

*Over 500 impoverished children receive free college prep education*

San Diego, CA – August 28, 2009 – A-1 Self Storage, the premier provider of self storage in California, announced today their support for the Colegio Santa Rosa de Lima in Tijuana, Mexico by funding the final construction of the school building. The School was founded by Father John Tuasto and serves over 500 children in the most dangerous neighborhood of Tijuana.

“A-1 Self Storage is grateful for the opportunity to participate in the education of these children who desperately need an alternative to life on the streets and would not receive education if it was not for this school.” said Brian Caster, President and CEO of A-1 Self Storage. “Education is one of the most important gifts we can give people who are in need.”

Colegio Santa Rosa de Lima is now in the process of finishing construction on their five story school building. The Colegio serves children free of charge and covers 1<sup>st</sup> through 12<sup>th</sup> grade.
