A-1 Self Storage Supports Big Brothers Big Sisters of San Diego County

Over 1,600 at-risk children will receive one-on-one mentoring

San Diego, CA – September 11, 2009 – A-1 Self Storage, the premier provider of self storage in San Diego, CA, announced today their support for Big Brothers Big Sisters of San Diego County. This program provides over 1,600 at-risk youth with the most successful method of being a positive influence in a child's life, one-on-one mentoring. In the last 5 years this program has grown over 500% and is reaching out to the children in our community who are most in-need.

"A-1 Self Storage is proud of the incredible work being done by Big Brothers Big Sisters, especially through the "Big in Schools" program that is serving over 100 children at our inner-city schools." said Brian Caster, President and CEO of A-1 Self Storage. "Mentoring is one of the most important gifts we can give our youth. I encourage everyone that has the chance to experience the rewards of mentoring a young person through Big Brothers Big Sisters."

Big Brothers Big Sisters has been in San Diego since 1961 and has over 100 years of experience working in the United States. The San Diego chapter is recognized as one of the most successful in the nation with programs for children who have parents in the military, who have parents in prison, who enjoy sports, and who attend inner city schools.
