

Mike Shockley – a resident of Fellowship Square
Phoenix since 2005

I'd say first I'm living among people who are seeking the same goal I'm seeking. That goal is eternal life with Jesus Christ. Family members insisted my wife and I come here. The staff here is outstanding. They are always ready to help. The meals are excellent and served by dedicated wait staff. I appreciate the fact my apartment is cleaned twice per month by excellent cleaning staff. The people, staff and tenants are friendly and always ready to help those that need a helping hand. I enjoy the Wednesday morning bible study led by Chaplin Ron Burt who has been a personal friend for 36+ years. Also the nursing facility and staff are outstanding. My wife of sixty five years was a patient there for ten months before the Lord called her home. In that ten months I came to love the nursing staff as I love my family. Two people really stand out, Cynthia Mora, Marketing Admissions Coordinator and Ellen Dodd, Social Services Director. It isn't easy putting a loved one in a nursing home but these two ladies with their love and compassion eased the hurt. I would recommend Christian Care- Phoenix to anybody.
