Spring Hills Cherry Hill Luxury Assisted Living sees high turn out at gala

By News Staff

Spring Hills Cherry Hill Luxury Assisted Living wowed over 150 guests at their One Year Gala Celebration.

Local vocalist and band leader Jerry Boyle was back performing the “Best of Broadway...the Best of Times.”

Special guests included many South Jersey dignitaries, who cited the community’s visionary transformation of an abandoned hotel at a landmark location on Route 70 and totally remodeling it to provide options for luxury assisted living and memory care options for Cherry Hill Township and the region.

Special guests included New Jersey State Senator James Beach as well as four members of Cherry Hill Township Council who proclaimed Jan. 17 as Spring Hills Cherry Hill Day.
