Bend Memorial Clinic to provide services at Touchmark

(BEND, Ore.) — Beginning this month, Bend Memorial Clinic (BMC) is providing on-site medical services at Touchmark at Mt. Bachelor Village two days a week. BMC is leasing an office/exam room in Touchmark's Cliff Lodge Lobby Business Suite. The new service is available exclusively to Touchmark residents.

Dana M. Rhode, DO, will be at Touchmark Tuesdays and Thursdays from 1 p.m. to 4 p.m. Weekly lab work also will be available each Thursday by appointment, beginning at 8 a.m.

"Touchmark continues to grow and add helpful service options to residents," says Touchmark Executive Director Tom Biel. "Having these services available just steps from their homes will be very beneficial to people living here."

"We are excited to partner with Touchmark," said Dr. Sean Rogers, BMC Medical Director. "Having Dr. Rhode available on-site will allow residents to access care when they need it most, improving their overall well-being."

Dr. Rhode graduated from the University of Osteopathic Medicine and Health Sciences in 1998. She completed her residency at the University of Arizona in 2002 and her internship at Garden City Hospital in Garden City, Michigan, in 1999. Dr. Rhode is board certified in Family Medicine.
