Warm Your Heart with Art Show to benefit Heart Association

VANCOUVER, Wash. – Artists, art lovers and a rich variety of artwork will be on display at Warm Your Heart with Art Show Thursday, April 3, from 2:30 to 5 p.m. This unique art show, which is a fundraiser for the American Heart Association, will be held at Touchmark at Fairway Village at 2011 S.E. Village Loop in Vancouver’s Fisher’s Landing neighborhood.

The event will include entertainment by the swing trio Matthew Casey Band, refreshments and door prizes. There is no charge to attend, and complimentary valet parking will be available. RSVP by April 1 to 360-254-2866.

The show will feature art from talented local artists, including Touchmark resident Sharon Brannan, whose decorated gourds and stained glass will be among the art on display.

“I have always been enamored of Native American art,” she said, adding that she loves the Inuit music. “I find it fascinating.”

She has also created a Thunderbird design from arrowheads collected by her family during their time farming in the Midwest.

Touchmark at Fairway Village is a full-service retirement community offering a wide range of retirement homes, lifestyle options and services, including an on-site health and fitness club for people age 40 and up. More information is available at Touchmark.com.
