The Secret Service is an elite team of men who share a single mission: to protect the President of the United States. On November 22, 1963, these men and a country were forever changed. Blaine draws on the memories of this close-knit group of men charged with protecting the President and tells the inside story of the assassination, the weeks and days that led to it and its heartrending aftermath. “The Kennedy Detail” is a moving, intimate description of dedication, courage and loss.

Blaine is visiting Boise to see family and friends, including Touchmark residents Gwen and Jim Colfer. Blaine credits Gwen Colfer for her early edits of his book.
