## **Financial Policy**

Thank you for choosing Kentuckiana Animal Clinic. Our primary mission is to deliver the best and most comprehensive veterinary care available for your pet. An important part of our mission is making the cost of optimal care as easy and manageable for our clients as possible by offering several payment options.

**Payment Options:** Payment in full is required at the time of service. Either at the end of your pets examination or at the time of discharge. For some treatments a deposit may be required to begin your pet's treatment.

We gladly accept **Cash, Visa, Mastercard, American Express, Discover Card and checks** (with proper ID). We accept **CareCredit** for amounts over \$200.  
-A \$50 fee will be charged for returned checks.

Any prior balance owed will be subject to interest charges added at 30, 60 and 90 days. After that, Kentuckiana Animal Clinic reserves the right to turn the balance owed over to collections.

For our clients with pet insurance, we are happy to provide you with the necessary documentation to submit a claim to your insurance carrier so you can be reimbursed for payments given to Kentuckiana Animal Clinic.

**Estimates:** Written estimates on the expected cost can be provided after examination of your pet. Once treatment has begun, changes in the healthcare plan may be required depending upon the results of diagnostic or changes in your pets condition. We will contact you if the cost of care is expected to exceed the estimated amount.
