

## **ISL Creates Regional Team for Texas**

**CARLSBAD, CA (August 22, 2014)**--- Integral Senior Living (ISL), a leader in managing senior living communities, is pleased to announce that a new regional team has been developed in Texas to accommodate the growth the company has recently experienced in the area. The ISL Texas team members include; Jacque Geer, Regional Vice President of Operations, Christy Van Der Westhuizen, Regional Marketing Director, Susan Safi, Regional Assisted Living Director as well as a future Regional Human Resources Director.

“We felt that with the incredible growth we are experiencing in the Texas market that now was the time to move key management team members to the area so they may be more centrally located to serve current and upcoming communities,” said Collette Valentine CEO/COO of ISL.

Currently ISL is managing nine communities in Texas.

- Magnolia Heights Assisted Living and Memory Care located in Spring, Texas,
- The Village at Stonebridge Assisted Living and Memory Care located in McKinney Texas
- Stoney Brook of Hewitt Assisted Living and Memory Care located in Hewitt, Texas
- Stoney Brook of Copperas Cove Assisted Living and Memory Care located in Copperas Cove, Texas
- Stoney Brook of Belton Assisted Living and Memory Care located in Belton, Texas
- Shavano Park Senior Living located in San Antonio, Texas (under development)
- Colleyville (future development)
- Denton (future development)
- Plano (future development)

### **About ISL**

Integral Senior Living headquartered in Carlsbad, CA., manages a progressive selection of senior residences to meet the growing needs of today’s aging population. It currently manages 58 independent, assisted living and memory care properties throughout California, Arizona, Utah, Idaho, Texas, New Mexico, Colorado, Oregon, Washington, Illinois, Michigan, Alabama, Oklahoma, Tennessee and Florida. ISL is founded on a care philosophy that fosters dignity and respect for residents and promotes their independence and individuality. The dedicated staff at each community is trained to maintain the highest standards of senior care services.
