## **“Reclaim Your Life” presentation and series offered at Touchmark at Fairway Village**

VANCOUVER, Wash. — Organizing is much more than meets the eye. It’s about prioritizing to build the life you want. Touchmark at Fairway Village is offering a three-part series led by professional organizer Vicki Norris, who will discuss how organizing “shortcuts” don’t work and why it’s important to invest time in what matters.

Norris will speak Thursday, March 19 at 1:30 p.m. at Touchmark. There is no charge to attend, but seating is limited. To RSVP, people can call Touchmark at 360-254-2866. Light refreshments will be served.

During the hour-long “Reclaim Your Life” presentation, Norris will share:

- How people can use time more effectively to activate their priorities
- A new perspective on success
- Five causes of disorganization
- Four commitments to get organized

The series includes two additional presentations: “Reclaim Your Household” on June 18 and “Reclaim Your Health” on Sept. 17. Because seating is limited, people are encouraged to sign up in advance for the series.

This series is being offered exclusively at Touchmark, which is located at 2911 SE Village Loop.

Norris is president of Restoring Order®. Since 1999, she and her team have helped individuals and businesses organize their lives, homes and offices. Norris is widely recognized from her seven years as the professional organizing expert on KATU’s “AM Northwest” and on HGTV’s “Mission: Organization.” She is sought nationally for interviews and speaking engagements.

Touchmark at Fairway Village is a full-service retirement community offering a wide range of retirement homes, lifestyle options and services, including an on-site health and fitness club for people age 40 and up. More information is available at [Touchmark.com](http://Touchmark.com).
