“Reclaim Your Household” presentation and series continues at Touchmark at Fairway Village

VANCOUVER, Wash. — Are you embarrassed to invite guests into your home? Have you tried everything but still can't get organized? Professional organizer Vicki Norris of Restoring Order will provide a one-hour presentation to help you break the cycle and take back your household.

Norris will speak on Thursday, June 18 at 1:30 p.m. at Touchmark. There is no charge to attend, but seating is limited. To RSVP, people can call Touchmark at 360-254-2866. Light refreshments will be served.

The hour-long presentation will include:

- Six common organizing mistakes
- Five steps to lasting change
- Identifying hotspots of disorder

The series includes one additional presentation: “Reclaim Your Health” on September 17. Because seating is limited, people are encouraged to sign up in advance for this last presentation.

This series is being offered exclusively at Touchmark, which is located at 2911 SE Village Loop.

Norris is president of Restoring Order. Since 1999, she and her team have helped individuals and businesses organize their lives, homes and offices. Norris is widely recognized from her seven years as the professional organizing expert on KATU's “AM Northwest” and on HGTV's “Mission: Organization.” She is sought nationally for interviews and speaking engagements.
