Cars spanning many decades on display at Touchmark on June 20

SPOKANE, Wash. – Touchmark South Hill invites the public to attend a car show on Saturday, June 20. The show runs 10 a.m. - 2 p.m. and will feature a hot-dog lunch and music by the band Grand Avenue. There is no charge to attend. Bring dad and kick off the Father's Day celebrations! Touchmark is located at 2929 S. Waterford Drive.

Who:

Among other car owners, Ben Ridlon, a Touchmark resident, will be showing his restored 1933 Chevy Mercury. He purchased the car at a high school benefit car show in 2004 but had it in storage until 2007, when his son convinced him to begin the restoration. The car is one of only 8,909 that were made and sold for \$495 (\$445, if you didn't want the rumble seat).

The restoration of the car took about five years. "My son and I worked with a team of professionals to complete the restoration. It took a lot of effort, and we are really proud of the results" said Ridlon.

Bring your dad to the car show and see the incredible restoration work this father-son duo accomplished together!
