TimeSlips — storytelling that helps with memory loss

EDMOND, Okla. — TimeSlips is the open, poetic language of improvisational storytelling that invites people with memory loss to connect with others. Touchmark at Coffee Creek presents an in-depth look at this unique program on Tuesday, June 23 at 6 p.m.

Touchmark Life Enrichment/Wellness Coordinator Mary Aveard is certified in TimeSlips; she will share how this method works and how to implement it into loved ones' routines. Aveard regularly includes TimeSlips as part of Touchmark's Full Life Wellness & Life Enrichment Program.

There is no charge for the one-hour session, but reservations are required by June 22 (405-340-1975). Refreshments will be provided.

Touchmark is a full-service retirement community located off Covell at 2801 Shortgrass Road in Edmond. Touchmark at Coffee Creek is part of North Edmond's Coffee Creek planned residential development, which includes 638 acres of homes, a golf course, recreational centers, and walking and biking trails. More information is available at TouchmarkEdmond.com and by calling 405-340-1975.
