Touchmark Creatively Uncorked event to support Alzheimer's Association

FARGO, N.D. — Touchmark at Harwood Groves is inviting adults to attend a special session of Creatively Uncorked as a fundraiser for the Alzheimer's Association. Creatively Uncorked is a guided art-making experience where students are taught how to paint a particular subject by breaking the steps into a simple process, in a fun and friendly environment. Participants are also invited to enjoy some wine while painting.

Creatively Uncorked at Touchmark will take place on Monday, Aug. 10, at 7 p.m. Touchmark is located at 1200 Harwood Dr. South.

The event costs \$50 with \$10 from each registration donated to the Alzheimer's Association. Preregistration is required by Friday, Aug. 7. Participants will also be able to sign up to join Touchmark's team for the Walk to End Alzheimer's. Anyone interested in attending the event is asked to RSVP by calling 701-476-1200.

"Creatively Uncorked is a great way for people to have fun while supporting the important work of the Alzheimer's Association," said Anne-Marie Fitz, Life Enrichment/Wellness director at Touchmark. "And, every participant will get to take their art home at the end of the session."
