EDMOND, Okla. — Touchmark at Coffee Creek has named Debi Sims as memory care manager. In this role, she oversees memory care services for the Edmond retirement community.

Sims most recently was director of nursing at Warr Acres Nursing Center; over the years, she has worked in assisted living, long-term care and memory care communities. She is a graduate of East Central University with a Bachelor of Science in nursing.

“Debi brings years of nursing experience,” says Touchmark Executive Director Melissa Mahaffey. “Her most important offering to the families and staff of Touchmark, though, is her life experience, compassion and dedication. As a proven leader, she has a passion to educate both families and staff.”
