## **It's never too late to find love (or friendship) *Touchmark hosts speed-dating event for seniors***

FARGO, N.D. – Touchmark at Harwood Groves is hosting a speed-dating event for Fargo residents aged 70 to 90 who are interested in seeking new relationships later in life.

The speed-dating event is scheduled for Wednesday, June 29, at 2 p.m. at Touchmark, 1200 Harwood Drive S. The event is limited to the first eight women and eight men who register. To RSVP and reserve your spot, please call Melinda at 701-476-1200. Registration will be open until June 28.

Earlier this year, Touchmark hosted the public screening of “The Age of Love,” a documentary focusing on a group of seniors who take part in a speed-dating event for 70- to 90-year olds. From there, the idea grew for Touchmark to host a speed-dating event for Fargo.

“We invite older adults from throughout the Fargo area to take part in this exciting event that’s designed to bring together people who may be looking for companionship or love,” says Touchmark Life Enrichment/Wellness Director Anne-Marie Fitz. “Speed dating is a fun way to meet interesting people in a series of relaxed, comfortable five-minute chats.”

The cost of the event is \$10. Hors d’oeuvres will be served.

A full-service retirement community, Touchmark at Harwood Groves offers people 55-plus years a full life. There is a wide range of homes and lifestyle options as well as an on-site health and fitness club, which is open to anyone over 40. For more information, visit [Touchmark.com](http://Touchmark.com).
