Staff compete in Chef's Challenge

APPLETON, Wis. – Staff at an Appleton retirement community will participate in their own version of the popular Food Network show “Chopped” at 2 p.m. on Thursday, Aug. 11.

The Touchmark Chef's Challenge will feature a nurse, receptionist, and wellness director who will get a series of ingredients, including avocado, tahini and grape jelly. They then will get 40 minutes to come up with a winning entrée. This is the third time Touchmark is holding its Chef's Challenge.

The audience will taste all the creations, and a panel of judges will rate each dish on creativity, presentation and taste. Community members are welcome to attend this event. There is no charge, but please RSVP by Aug. 9 by calling 920-832-9100. Touchmark is located at 2601 Touchmark Drive in Appleton.
