## **For the love of art: Touchmark hosts Art & Collectibles Show Oct. 26**

Edmonton, Alberta – The work of local artist Sylvia Lange will be among the many items featured at Touchmark at Wedgewood’s Art & Collectibles Show on Oct. 26.

Lange is one of nearly 20 Touchmark residents who will be on hand from 11 a.m. to 3 p.m. displaying their creations and prized collectibles. In addition to paintings, the displays will feature needlework, quilting, knitting/crocheting and woodworking. Handmade antique bears also will be displayed. Refreshments will be served.

While Lange paints in various media, such as oils and watercolours, her favourite method is dye on rice paper. “What I love most about painting is how you can get so involved in the work that you forget about everything else. It absorbs you totally.”

There is no charge to attend the event, which will be held at Touchmark, 18333 Lessard Road NW.

“This show will feature a full range of art and collectibles,” says Touchmark Life Enrichment/Wellness Director Joan Drake. “There’s something for everyone to enjoy.”
