## **Touchmark in the West Hills now accepting priority reservations**

PORTLAND, Ore. — Living next door to a vineyard is now a fantasy that retirees in the Portland area can add to their bucket list, thanks to [Touchmark's](#) full-service retirement community, Touchmark in the West Hills.

Located on a wooded hillside at Barnes & Leahy in Northwest Portland, [Touchmark in the West Hills](#) will include condo-style residential buildings, garden homes, single-family homes, a clubhouse and a full continuum of services and other amenities. The unique community will offer forested terrain, wildlife, walking trails, wide-ranging valley views, a health and fitness club – and an adjacent vineyard. Plus, all of this is just minutes from the city's cultural activities, health care and shopping.

Touchmark in the West Hills is scheduled to open fall 2017 and is now accepting priority reservation deposits. The reservation process, which is on a first-come, first-served basis, allows individuals to reserve a place in line to select their preferred home in the spring. In addition to being among the first to secure a Touchmark home within this unique community, becoming a priority reservation holder entitles an individual to receive regular updates and invitations to special events and winetasting happy hours in advance of the opening.

“We just started accepting priority reservations, and in just two weeks, we’ve received nearly 80 reservations,” said Touchmark Executive Director Ed Mawe. “People are excited about the many benefits to be offered, and they’re really enjoying getting to know one another.”

Those interested may secure a priority reservation by calling 503-954-1640, visiting the information center at 5150 SW Griffith Drive in Beaverton, Oregon or visiting [www.TouchmarkPortland.com/priority](http://www.TouchmarkPortland.com/priority). The \$2,000 deposit can be made by credit card or check.
