## **Touchmark names Ellen Kelly Life Enrichment/Wellness Director**

Sioux Falls, SD – Touchmark at All Saints announced Ellen Kelly has been named Life Enrichment/Wellness Director for the Sioux Falls retirement community. In her new position, Kelly will develop creative programming that supports residents' talents and interests while incorporating the seven dimensions of wellness.

Kelly started at Touchmark in 2012 as a medication aide and memory care manager assistant. She then transitioned to the role of sales assistant and move-in coordinator, which she held for the last two years.

A graduate of South Dakota State University, Kelly holds a bachelor's degree in family and consumer science education. Specifically, she majored in human development and family studies while minoring in gerontology. She also earned a graduate certificate in long-term care management from the University of South Dakota.

“When I was 17, I had a summer job as a certified nursing assistant that sparked an interest in working with elderly individuals,” said Kelly. “I wanted to learn everything I could about human development and wellness in aging so one day I could make a meaningful difference in the lives of seniors. Now I’ve found the perfect position where I can do that every day.”
