

## A basic plan to cover your pet's **essential** care

Every dog deserves to live a long and healthy life. Consistent, preventive care is an important step in managing your dog's health and the Essential Plan covers all of the basics to help your dog stay happy and healthy.

## A more **comprehensive** plan to proactively manage your pet's health

Preventive care makes all the difference. The Comprehensive Plan provides your dog with all of the essentials plus dental care and important screenings to keep your dog at his prime.

## **Comprehensive** care **plus** additional services to ensure your pet stays healthy

Older dogs and dogs with special needs require proactive health management. The Comprehensive Plus plan provides a full range of preventive services to ensure your dog lives a comfortable and healthy life.
