## **There's still time to sign up for COLOR{FULL} Fun Run/Walk to benefit Alzheimer's Association**

BISMARCK, N.D. — Dozens of families and individual runners and walkers have already signed up for the first-ever COLOR{FULL} Fun Run/Walk to honor, remember and fight Alzheimer's disease. Registration for the event will be open until the start of the event at 6 p.m. on Wednesday, June 21 at Sertoma Park.

The color explosion will be held at 7 p.m., following the 5k and half-mile courses. Wendy Schrag, RN-BC, Vice President of Clinical Services at Touchmark, will speak about the importance of supporting local research and care for those living with Alzheimer's disease. Schrag will recognize the tremendous toll the disease takes in our community and the many families affected by it. During that time, all attendees will receive four colors, which will be thrown simultaneously in a show of support:

Blue: I have Alzheimer's.

Yellow: I am supporting or caring for someone with Alzheimer's.

Purple: I have lost someone to Alzheimer's.

Orange: I support the cause and a vision of a world without Alzheimer's.

Alzheimer's currently affects more than 5 million Americans, touching one more life every 66 seconds. This year, alone, Alzheimer's will cost the United States \$259 billion. All proceeds from the event will benefit the local Alzheimer's Association.
