Wyakin Foundation receives donation from Touchmark

MERIDIAN, Idaho – More than 70 classic cars and hundreds of people gathered at the Touchmark Father’s Day Weekend Classic Car Show on Saturday, June 17, 2017. The event raised more than \$2,500 for the Wyakin Foundation.

“The life-changing work we do on behalf of our veterans is made possible only by the generous support of our donors,” says Wyakin Executive Director Brent Taylor.

“Touchmark has once again addressed the need with this gracious donation, which will create meaningful change for wounded veterans and those whose lives they touch.”

“We are pleased to partner with the Wyakin Foundation for this community-wide event and are thankful for the work they do with veterans,” says Matt Hoskin, Touchmark Executive Director. “Touchmark is home to hundreds of dads, grandfathers and great-grandfathers – and veterans. This event not only benefits Wyakin but also celebrates all dads for their contributions.”

The 2018 Touchmark Father’s Day Weekend Classic Car Show will take place on Saturday, June 16, 2018.
