Due to church services the Nov. 19th game party will be held in Kenny Marshall's apartment, #421 beginning at 12 noon. First come first serve for sitting or bring your own chair.

Tailgating will begin at 12 noon in the dining room on Nov. 26. Wear your red and bring a snack to share. Our tailgating coordinator is Kenny Marshall.

COMMUNITY CRAFT FAIR

Saturday, November 4, 10am to 3pm

Support the fabulous talent of our Creekside artists and crafts people.

NOTICE TO ARTISTS, CRAFTERS AND VOLUNTEERS

Set up for the Community Craft Fair begins on Friday, Nov. 3 at 7pm. Craft Fair participants will organize the room with their reserved tables. Merchandise may be set up on Saturday morning beginning at 8am. Any community member who is willing to assist with this task is welcome and will be greatly appreciated.

ONE more craft fair note We are hoping to recruit someone willing to provide a booth selling food at lunch time. Contact Fran for assistance and planning of your booth. If you staff and serve light refreshments to participants and attendees during the craft event, the profits are yours. This would be a great family effort. Let Fran know if you are interested in this enterprise.

Refresh your Bridge Skills. If you haven't played for a while and feel a bit insecure about your level of play, take advantage of this opportunity to review and begin to enjoy that great game again. Margaret Tannahill is coordinating the course. She will schedule the lessons to accommodate your schedule. Call her at 913-449-1961.

WELCOME TO NEW MEMBERS OF OUR COMMUNITY

October was a busy month for the Gardens at Creekside.

John and Jan Lewis have moved into 235. Jan is still working on getting things arranged in their home. They “brought too much”. Doesn’t that sound familiar? They are quite happy with their new home, especially with the very friendly and welcoming people they have met here. Another blessing according to Jan is the view of the sunsets from their living room window.

Sharon Thacker recently moved into 311. She and her sixteen year old cat, Gracie, have made a quick adjustment to community life. She too, feels welcomed by community members. She is an avid reader of mysteries, and enjoys playing games. Sharon plans to become more involved in activities in the near future.

Verne and Phyliss Olson have moved into 414. They lived in their home for 35 years and claim it has been a challenge to downsize. They have two children and one grandchild. Watch for Verne’s woodwork creations on display and for sale at our November craft fair. Verne mentioned that their ambassadors, Gordon and Evelyn have been very welcoming and helpful.

Dolores Robinson moved into 115. She has been an active volunteer with many interests from gardening to quilting and reading. Her favorite genre is mysteries. She is a longtime friend of Kay and John Hagen.

Helen Ritter lives in 225. She just returned from a trip to the Dominican Republic and Punta Cana. During the trip she developed cellulitis which led to a great deal of discomfort and swelling. Part of the trip was spent in a wheelchair. But she and her son earned a standing ovation from the audience as her son swung her around the floor in her wheelchair.

Bill Means just moved into 423. Bill’s condo sold so quickly he had to rush into his new apartment here. He has been so busy that this reporter has been unable to catch him for details.

All of these people are very special and will make a real contribution to our Creekside community. Please reach out to introduce yourself to them.

Congratulations to Kenny Marshall our November Volunteer of the month. Kenny stepped in to help with our meal service while Al was ill. He was able to manage the details and serving of both lunch and dinner. Thankyou Kenny.

The Gardens at Creekside will celebrate the beginning of the Holiday season with a Community Pot Luck Dinner. Mark your calendar for Thursday, November 16. 4:30pm. A flyer with all details will be delivered to your door soon.
