GABLES STRONG

In the face of the #ThomasFire, the Gables residents, family members, friends and staff banded together. Supported by the wonderful team from Parsons Group Inc., we not only successfully completed evacuation from our beloved Ojai campus – but also, as of this printing, almost all have returned from various places in order to safely “reoccupy” our special spot here at Montgomery & Grand.

Maria Bello and the rest of our superb kitchen staff helped make the Family Holiday Party extra special.
