Remember When:

'Be Kind, Please Rewind'

These days, watching a movie at home usually means popping in a DVD or using a digital streaming service. But during the 1980s and '90s, movies on VHS tapes, which were played using a VCR, were the standard technology. Video rental stores reminded customers to be courteous and take the time to rewind the tapes before returning them by placing stickers with the phrase "Be Kind, Please Rewind" on the cassettes.

Let's do some more Remember Whens on January 16th in the Lobby.
