March 2018

Lillie is not all books and math, she is also a bit of a card shark. Her first week at Parsons House she learned Bridge, Canasta, Kings in the Corner and 42. She is looking forward to starting a bid whiz club in March. She loves to watch Longhorn sports, the Spurs and the Cowboys.

Lillie grew up in the country with her grandparents who taught her a love of reading and math at a very early age. She proved her family proud and graduated high school at age 15. By 16, she was enrolled at Houston Tillotson College majoring in biology with minors in chemistry and Math. Lillie fell in love with, F.C. Soon they were married and had 4 beautiful children. F.C. later became a pastor at their Church, Mount Sinai Baptist in North East Austin. Lillie has been teaching Sunday school for 67 years. Lillie enrolled at the University of Texas and earned her Master's in math education. She started teaching in Taylor, Texas for 10 years and then taught at Johnston High for 2 years. She was called to teach at McCallum High and help with the challenge of the desegregation process. Mrs. Ransom later served as the head chair of the Math Department at McCallum for 19 years. In 1995, Lillie was honored as one of the "Top Texas 10" best educators in the state.
