Celebrating Moms

Greeting cards, flowers and restaurant outings are the top three most popular purchases for Mother's Day gifts. According to the National Retail Federation, U.S. consumers spend about \$24 billion celebrating the moms in their lives.

Maternal Blooms

Native to Tanzania and Kenya, African violets have been brightening windowsills in America since they were brought here in the 1890s. Marked by fuzzy green leaves and delicate flowers in a variety of hues, these cheerful plants thrive indoors. African violets are also easy to propagate, and one mother plant may yield dozens of offspring.
