Resident Spotlight John Macht

John was born in North Battleford, Saskatchewan, Canada to Teckla Boyko and John Macht. John has a sister, Mary, who still lives in Canada. Growing up in this province, John spent his childhood fishing in the summers and hunting for rabbits in the winters. His family later moved to London, Ontario, Canada where he worked at his Uncle Joe's restaurant, where he became a gifted cook. John attended the University of Western Ontario and majored in Chemistry, spending summers working for a construction company, La Batts Brewery, the university cafeteria and lab assistant. John met his wife, Mary, in his last year of college. They were married a year later in 1953 and had two daughters. In 1963, they moved to Akron, Ohio where John continued to work as a chemist for Polysar. Next, they moved to Borger, TX where John became plant manager over JM Huber Carbon Black Plant. September 9, 1970, John became a naturalized US citizen but still maintains dual citizenship. In the late 90s, John and Mary moved to Amarillo. After losing the love of his life, John moved to Frisco in 2016 to be near his youngest daughter, Nancy. John has 3 grandchildren and 6 great-grandchildren, in which there are 2 sets of twins. As a young boy, he was an active alter boy. Even into his adult life, John was active in his church as the lector in the service and singing in the choir. A few of his favorite hobbies are BINGO days and artwork. John is a gifted artist that has spent his life practicing all mediums, but his favorite is watercolors. His greatest passion though has to be his time spent with his children, grandchildren and great-grandchildren.
