

GABLES *of Ojai*

701 N Montgomery St • Ojai, CA 93023 • (805) 646-1446

On the 14th, the Soccer World Cup begins in Russia. Stop yawning. There is a point to this. All thirty-two nations have aspirations of winning this tournament.

If we look back at our lives, we have all had aspirations. Some of us still do. There have been times in our lives when we have felt like winners and other times when we haven't. Life is full of ups and downs and twists and turns. We share our ups with our loved ones, and reach out to them when we have our low points.

If we looked at the 32 nations, I bet we could find Residents with ancestry from each country. The Gables is a melting pot, and a microcosm of the World as a whole. We come from different backgrounds and have each followed meandering paths to arrive where we are today.

My predictions: Mexico will do OK, England will implode spectacularly, Germany will win. And the USA...didn't qualify!
