## **Touchmark residents doing their part in school supply drive; invites others to join them**

FARGO, N.D. – Residents of Touchmark at Harwood Groves will be doing their part this July in the United Way of Cass-Clay’s 20th school supply drive — and the public is invited to help. From July 16 to 24, Touchmark will be collecting donations for the United Way in connection with the successful and well-known event.

“This particular school supply drive has made a big impact in the area for years, and we are proud to participate as we collect donations. The supplies that are needed include everything from pencil pouches to markers, and notebooks to rulers,” says Touchmark Life Enrichment/Wellness Coordinator Anna Rene Lawler. “And don’t forget the backpacks — that’s where all the donations go, into a newly donated backpack for each child.”

Along with being a collection point for donations at 1200 Harwood Dr. South in Fargo, the residents will be hosting a sort and pack event on Wednesday, July 25 at 2 p.m. to prepare the donated items. The public is invited to participate.

According to the United Way of Cass-Clay, in 2017, 5,800 students in 65 schools in Cass and Clay counties were equipped with a backpack and set of school supplies because of generous community donors. The United Way of Cass-Clay donation drive for school supplies goes from July 11-27. For more information, visit [www.unitedwaycassclay.org](http://www.unitedwaycassclay.org) or call 701-237-5050.
