

GABLES *of Ojai*

701 N Montgomery St • Ojai, CA 93023 • (805) 646-1446

From the **Desk** of...

The managers have chosen and will lead a lot of activities this month. My management team are responsible for running their own departments, managing their staff and making sure that things run smoothly. Their work can sometimes be stressful, but they do it with a smile on their faces and love in their hearts.

The management team is made up of Carole, Donna, Christine, Craig, Kelley, Salvador, Leila, Ashley, Cheyenne, Damian, Janette...and me. Between us, we have over 120 years' experience working at the Gables.

Along with the rest of the staff, the managers are a diverse group of individuals from different backgrounds, working together to make our Residents' lives the best they can be. Most of them "fell into" this industry, which makes the longevity of their service even more impressive.

I am grateful for all they do for our Residents, their staff, and the Gables itself. Our reputation is built on the love and dedication of our employees. My management team displays those qualities every single day.

David

September 2018
