Fall Into September

The first day of fall, also called the autumnal equinox, arrives Sept. 22. It's one of two days during the year (the other being the first day of spring) that bring nearly equal hours of day and night, about 12 hours. The word equinox means "equal night" in Latin. For us in the Northern Hemisphere, the days will then grow shorter as the sun starts rising later and setting earlier.

September 2018

Nancy & Ron Horton just celebrated their 49th wedding anniversary. Ron & Nancy met one Sunday morning at church while students at Howard Payne University in Brownwood.

They have 3 daughters and 5 grandchildren, with the youngest in preschool and the oldest a sophomore at SMU. Ron continues to study the Bible and leads a Bible Study here at Parsons House while Nancy plays the piano.

Nancy grew up in Houston and is an avid Astros and Texans fan. Of course, Ron, who grew up in Brownwood, takes the opposite stance and loves the Rangers and the Cowboys. Regardless of this diverse allegiance, Ron & Nancy still enjoy a healthy and happy competition (as long as Nancy's teams win!).
