October 2018

Meet George Molnar

George is looking forward to our upcoming GrandPals program with Windsor Library. We will be spending an hour passing on the love of learning, reading and crafting.

George was born in Pennsylvania, where he lived until he was drafted into the Army in 1966 and served as a Rifleman in Vietnam. After the war, he worked as a certified welder, building ships. Soon George met and married a lovely lady named Jo Ann. They moved to Long Island and had two beautiful children. He recently moved here to be close to his granddaughters. Back in Pennsylvania, he was president of his Vietnam Veteran Club and wrote and published their monthly newsletters. George is a handy guy to have around. He remodeled his home by hand and has already become a fantastic volunteer at Parsons House. He loves children and helped raise his granddaughters in Pennsylvania. George enjoys reading, especially mystery and adventure novels.

Thanks to all who came out for Grandparents Day 2018! Thank you to AFD Station 9 for your hospitality. Until next year - Everyday is Grandparents Day at Parsons House!

Myra is the August Employee of the month. She is a trained Medication Aid and has worked at Parsons House for a year. Myra has a big family, 4 children of her own, and she is also raising her 2 nephews. Congratulations Myra, your hard work does not go unnoticed! Please submit your vote for employee of the month.

Bus Tips: Please remember to sign up for bus trips in the mail room. Sign up sheets are put out the last Thursday of the Month. If the list is full, don't fret; just add your name to the overflow list and only claim a spot if you fully intend to go. Please remember to be a good neighbor when participating in shopping and field trips. Be punctual—others are counting on you. Only buy what you can carry. Don't forget your wallet. Make a shopping list and stick to it. Assist the staff by traveling light, clean out your walker or wheelchair for easy stowing. When on field trips, please stay with the group. Join us at the activity meeting to suggest sightseeing, shopping and restaurant destinations.
