701 N Montgomery St • Ojai, CA 93023 • (805) 646-1446

## Director's Corner

Over the next couple of months, we have four of our biggest events. Easter Brunch and Mother's Day Brunch are always lively with delicious food and great company. This year marks our 10th Blooming of the Roses Tea Party in our Rose Garden where we will enjoy tasty Hors d'oeuvres, drink tea out of fine china cups and imagine we are royalty.

In June we have our big Summer Party. The Gables will celebrate its Blue Sapphire anniversary, which is 65 years. We hope that many of you will join us on these special days. The Gables has changed a lot over the years, even the name. When we opened for business in 1954, we were the Grey Gables and were a retirement community for retired teachers only. The AARP was formed here and had their headquarters at the Grey Gables for many years.

But some things never change; the joie de vivre of our beautiful Residents, the dedication of my amazing staff and the warm, comforting feeling of being a part of a vibrant community.
