# April 2019

Judy can be spotted walking her little dogs, Mork & Coco. Judy is planning on joining the book club and setting up her quilting studio. They love the nightly movies in the theater and our welcoming church services.

Meet Judy and Dan Ricketts! This fabulous couple just relocated to Austin from Galveston, where they had lived for the last 25 years. They loved the small town charm of the island, ocean & wildlife. While they miss their Grace Episcopal Church family, they are happy to be closer to their daughter, Lisa

Judy and Dan met in San Antonio after college. They shared the calling to work in social services. Judy has worked in child welfare, substance abuse and as a hospital social worker. Dan has worked in vocational rehab and as the Director of a substance abuse centers. After Judy earned her Masters in Social Work and Dan his masters in Psychology from OSU, the happy couple married and had two beautiful daughters, Lisa & Kim.

Judy and Dan were offered a chance to live in Germany while working for the Army. Living abroad was a neat experience; they loved being able to travel easily between the European countries.

The Wellness Room has recently been remodeled and are now conveniently located together on the 3rd floor just outside Elevator #2. The Wellness Room hosts the Podiatrist, Dentists and weights & vitals clinics. The Assisted Living (AL) offices are home to our dedicated AL management staff: Teffanie Price, Kellie Perez and Dulce Campos, all who help support our 24-hour AL team in unison.

-----  
You should have already received a letter regarding our excitement to introduce Infinity Pharmacy Solutions as our new preferred pharmacy provider! Pharmacy services at Parsons House Austin will transition from Omnicare to Infinity on April 9th, 2019, and there will be no lapse in service to residents electing to switch to the new preferred pharmacy. Infinity offers enhanced pharmacy programs, including independent pharmacist record review, 24-hour/7 days a week delivery of emergency

medications, electronic communication between our community, resident's physicians and insurance providers. Infinity also boasts the most up-to-date packaging and verification technology for prescriptions, meaning all of our resident prescriptions delivered to the community will have been checked electronically, photographed and rechecked by a registered pharmacist before they are delivered. Infinity Pharmacy accepts all Medicare Part D plans and most commercial insurance plans, as well as handling all medication transfers from your current pharmacy. If you have any questions regarding Infinity Pharmacy Solutions and would like to speak to them directly, you can contact them at 214-765-5456 and press option 3. Or email them at [billing@infinitypharmacy.com](mailto:billing@infinitypharmacy.com).

This new resource is available to all Parsons House residents.
