Harding Place 22nd Anniversary Celebration, April 21-26: "Where Fun Never Gets Old!" *** Get ready for a week when you can refuse to grow up!

“Take me out to the ball game!”

Come and root for your Harding Place Senior Slammers, our phenomenal beanbag baseball team, as we engage the Lightle Center Saints in this activity sensation!

We meet up on the first Monday of every month at 2:15pm at the Lightle Senior Center on Moore Street. Anyone can come and watch and the more cheerleaders the better, so bring the whole family!

You can also catch the Slammers as we play each other every Friday at 9:45am at Harding Place!

Harding Place Partners with HU Family & Consumer Sciences

Opportunities continue to present themselves for our residents to interact with students and staff from Harding University. The latest comes from the Department of Family and Consumer Sciences where students plan, prepare, and present a meal for the rest of the class and four of our residents. Feedback so far has been

very positive about the food and the chance to visit with the students, and a new group of HP folks get to enjoy this fun and tasty outing each week through April. This is just another fantastic way for students to meet educational objectives, for residents to benefit from their service
