In the month of May, the Riverwalk Community Room will undergo renovations and will not be open for approximately three months. As soon as we have a firm date, we will let you know. Most activities will be hosted at the pool area. Please keep an eye on the weekly snapshots in the mail rooms for more location information. Our temporary office will be in Building 1026/1 in apartment #110. We will have regular access to phones and email. Exercise Classes on Monday and Thursday will be held inside the gym.

Maintenance Corner: If you burn candles, please replace your AC filter every 30 days. Please make sure that you do not have many items plugged in at the same time. Too many items plugged in can cause breakers to trip and your lights will go out.
