

Project Manager – Residential Construction

A.J. Dwoskin & Associates, a property management and real estate development company located in Fairfax, has an exciting opportunity for an experienced Construction Project Manager, responsible for managing projects for a portfolio of multi-family and mobile home properties.

This position is primarily responsible for providing support throughout the life-cycle of all residential construction projects for capital improvement and development on all properties. The Project Manager will also be responsible for supervising contractors to ensure construction projects are 'permitted' and constructed pursuant to approved plans.

Qualified candidates should have a minimum of 3 years of project management experience and a construction background. Must be able to manage multiple projects consecutively, provide ongoing project status updates, and work in an organized fashion while effectively utilizing the company's software systems.

A.J. Dwoskin & Associates offers a competitive salary and employee benefits package to include health, dental, life, disability, 401(k), flexible spending, tuition reimbursement and discounted leasing rates for employees who reside onsite.

If you meet our qualifications above, and would like to become part of our dynamic team, please forward your resume to jobs@dwoskin.com.

We are proud to be an equal opportunity employer.

** We will not be accepting agency calls for this position.
