Resident Spotlight - Harold Albertson

Harold was born in Parsons, Kansas on December 28th, the oldest child of a machinist for the Katie Railroad and a homemaker. Harold spent his childhood in Parsons, McPhee, Colorado, and Houston, Texas. He graduated from Milby High School in Houston and went on to earn a BS in engineering from the University of Houston. He also played trumpet in the Cougar Band. A fellow band member introduced him to one of her friends from Dallas, Margaret. Harold and Margaret later married and moved to Dallas.

After moving to Dallas, Harold worked as an engineer in the defense industry for Chance Vought Aircraft and Texas Instruments while pursuing an MS from SMU and a PhD from the University of Texas at Austin.

After a successful career in the defense industry, he turned his attention to imparting his knowledge to the younger generation. He was a professor at Richland College for 25 years where he taught Engineering Technology and Physics. During his teaching career, he received the Richland Excellence in Teaching Award on 2 separate occasions. In retirement he cared for Margaret and is a Deacon at Believers Chapel.

Harold and Margaret were married for 63 years. They have a daughter, a son-in-law, and granddaughter, and a spoiled dachshund named Greta. He continues to have a fulfilling life of dedication to the Lord and his beloved family.
