BEZTAK AWARDED KINGSLEY EXCELLENCE AWARDS

February 17, 2020, Farmington Hills, Mich. - Twenty Beztak properties were recently awarded 2020 Kingsley Excellence Awards. The Awards “distinguish communities that outperform the Kingsley Index™ industry benchmark for overall resident satisfaction. Communities that receive this award go above and beyond to ensure their residents are satisfied with their living experience from start to finish. Awards are distributed each year based on the community’s prior year performance.”

“We are proud that the teams at these communities have been recognized for their commitment to resident satisfaction through superior customer service,” said Sarah Oglesby-Battle, President, Residential Division. “Beztak prides itself on maintaining a consistent brand standard with a focus on being excellent, ethical and effective. Our reputation is paramount and so are the associates that apply these core values to a constantly growing footprint. It’s rewarding to see team members embrace our practices and create success through a great resident experience.”

The communities, which all scored above the Kingsley Index score of 4.03, are located in seven states across the U.S. Thirteen of the properties previously received this award in 2019.
