

SKUNK SMELL

There is nothing worse than your dog smelling like skunk!

Below is a simple at home recipe that may help get rid of that awful odor.

De-Skunk Formula at Home Recipe

Mix together:

1 quart of 3% type hydrogen peroxide

1/4 cup baking soda

1 tsp liquid soap (ie: Dawn)

Apply the mix deep into the fur and on the skin. Let it soak for 10 - 15 minutes then rinse.

Contact us immediately if your dog's eyes are red and squinting after being sprayed.

If this above mixture does not work for your dog you can purchase a shampoo called Skunk-Off.

Contact your local pet store for details.
